Concise Statement of Facts/Complaint: * (This section must be completed. Attach additional information to this page if necessary.)

I object to the water and sewer rate changes Utilities, Inc. is calling for. I am retired, a US Navy veteran of Korea and living on Social Security. I have paid an average rate of 60 to 70 dollars a month for many years. The EXCESSIVE rate changes would be hard on me.

My average water use has been 1800 to 2500 gallons a month for many years. My bill dated 08/24/2012 showed a usage of 62,190 gallons at \$379.35. I do not have a pool or any water leaks in my one year old house rebuilt due to fire. I had NO CONTACT from Utilities regarding this. I had to make several phone calls to finally get a person to say they would look into this and get back to me. I finally received a reply saying my bill would be adjusted, but no answer as to what caused this. This is Customer Service?

In November 2010 my house and two cars were destroyed by fire. The fire department was on scene in minutes, but could do little due to no fire hydrant within a half mile of my house and many others in the area. A 5 inch fire hose had to be run from the fire station the half mile to my house which took time and my house was a total loss. Utilities has done nothing to correct this and other areas of Tega Cay. All they want is more money!

Relief Requested: * (This section must be completed. Attach additional information to this page if necessary.)

Utilities, Inc. existing rates are higher in Tega Cay than other York County areas and NO increase should be allowed.
